

NATIVITY^{of} MARY SCHOOL

CHANGES TO THE NATIVITY OF MARY SCRIP PROGRAM!

Nativity of Mary School profits approximately \$30,000 each year by you, our families and supporters through the Scrip program. Thank you for purchasing Scrip gift cards!

Moving forward, however, families will be asked to place online “presto-pay” or pre-orders by paper. This will eliminate what we need to carry on-hand, which can be costly and creates a liability for our parish and school.

If you don't want to purchase online, you can place orders. These orders will be collected and placed every other week providing we have enough orders. For each order we place, we are charged shipping costs, so we want to minimize this expense.

As we adjust how we use the Scrip program, we thank you for your patience and flexibility. **PLEASE DON'T STOP PURCHASING SCRIP** – just move to online or pre-ordered placement.

ONLINE ORDER STEPS: Do not select “Pay by check” – we are not processing these orders.

- 1) Set up an account at: shopwithscrip.com
- 2) Register online (Nativity enrollment code must be entered - BLC6AD231414)
- 3) You will receive a code to enter via text or email (Your choice)
- 4) Then select “Payment Options” and link your account with your bank.
- 5) Again, you will log into your bank account and receive a code to enter.
- 6) Then you are ready to shop! We encourage you to use the “online” scrip verses “physical” scrip cards as you receive the online cards. (Note: Not all companies offer online versions)
- 7) PAY – with “PrestoPay” to receive immediately, otherwise, you will need to wait for the school to process this order which could be up to 30 days.

PRE-ORDERS BY PAPER: Available online to download, the school office, or the church entrance.

- 1) Complete a paper order request.
- 2) Submit with your check to the school office or after Masses.
- 3) Your order will be ready for pick up within 2 weeks. Let us know if you plan to pick up after Mass or in the school office.
