- Mon March 9 No School - Conferences 2:00-8:00
- Fri March 19 Spirit Wear Day
- Tues March 17 St. Patrick's Day
- March 23-27 No School - Spring Break

## A Note From Mrs. Sweere

I will be doing some short assessments with the students over the next two weeks on letters, sounds, numbers, and counting. These along with schoolwork and what I see in class will help me share your child's progress with you and give you ideas of what they are ready to work on next. I am so excited to share the amazing growth these hardworking students have made!

## A Peek At What We Are Learning

### Language Arts

Our letter over the next two weeks will be N with the word no. Thank you for working with your students on the prereader books! This should be a positive experience - not stressful. Let me know if the books are too hard or easy - I have many levels!

### Math

We will continue practicing with numbers 11-20 and writing equations to show these bigger numbers.

### Religion

We will talk about Lent and brainstorm ideas of special ways we can pray and give back during this time. Ash Wednesday mass is at 9:45 - all are welcome!

### Science

We will learn about dinosaurs and see how many kinder feet would fit in a T-rex foot! We will also talk about what we would do if we had a pet dinosaur and make a fossil.

Next Month: Our new authors of the month will be H.A. Rey and Margaret Rey - authors of Curious George. We will be making monkeys to hang in our room! We will also be starting a month long Rainforest unit. A family project will be going home at conferences!
