RULES AND PRICING

TRUNK OR TREAT:

What is it?

It is a Halloween event held on our church property where you and your children can walk through our parking lot stopping at each parked car to get candy and/or play a game. If you want your car to be decorated, you need to register using the form on the front.

PRICING FOR TRUNK OR TREAT:

\$25.00 Entry: This gets the family/car in the trunk or treat contest and allows each family member opportunity to trick or treat around the field. If your car is in the field it must be decorated in a theme.

\$40.00 Entry: This gets the family/car into the trunk or treat field, allows each family member opportunity to trick or treat around field AND gives the family 20 game tickets (save \$5.00) to use for games. These tickets can be used for games within the festival from 4:00-8:00.

TRUNK OR TREAT RULES:

Entry in the Trunk or Treat field opens at 4:30. To enable the Trunk or Treat to begin at 5:30 and to ensure a safe environment for our trunk or treaters, all cars registered to be in the Trunk or Treat must be in the field by 5:15 and will not be able to leave the field before 7:30.

Each registered car is responsible for the set up and take down of their decorations. There will be no electricity on the field.

Each registered car is asked to decorate their car according to a theme and dress up in costume to compliment that theme. All themes and decorations must be appropriate for a young audience. Please no gore, play weapons or fake blood. Some popular choices are children's t.v. or movie characters or settings a scene like the old west, or board games.

Any trunk or treater is allowed to set up a small, carnival like game for kids to play, such as bowling, or a bean bag toss. Games should be short and easy to play for young children.

Trunk or Treat cars should bring enough candy for 100 trick or treaters. When your candy runs out then you will be restocked from the PTO donation.

There will be a system in place so that kids stop at each car just once; helping reduce the chance of running out of candy. Each trick or treater will have a card with blank boxes. At each station one box on each card will be marked out by the adult giving the candy out. When every box is full, the trick or treater is done collecting candy.

GAMES:

Tickets can be purchased the day of the event individually for \$1.00 a ticket.

Games will be one ticket each.

CONTEST:

There will be 2 contests.

One prize will be handed out to the best decorated trunk.

One prize will be handed out to the best kid's costume.

SCARECROW MAKING:

Bring your own clothes. All other materials are supplied for Free!
