

# Sneak Peek at the Week

*Mrs. Bartz Classroom Newsletter*

March 2nd - March 6th

**Week in Review:** We had a great week! Each Friday, during Lent, we will be going to the chapel for Adoration in the afternoon and we will attend Stations of the Cross at 3:00 in the church. All are welcome to join us. The eighth graders lead the living stations this past Friday. It was very touching.

**Religion:** This week we will continue to learn about the season of Lent.

**Reading:** No reading Newsletter this week as we are working on testing Memory Words and SuperKids stories and activities.

**Math:** This week we will continue to add ten and ones.

**Science:** This week our fabulous first graders will be writing their animal reports and begin to create their animal habitats!

**Social Studies:** The 1st graders will learn about the need for laws in a community, and how community leaders help people.

Please Note:

- This week's Positivity Project is: Cheering others' Success
- Student of the Week: Xel-ha
- Conferences are on Friday, March 6th and Monday, March 9th.
- During Lent our class will be focusing on bringing food for VEAP. Thank you, in advance, for your support in feeding the hungry.
